# About

Built over 100 years ago, it's been a family home, a post-Prohibition liquor store, and a myriad of modern businesses. The only consistency is the timelessness of the house, and the stories it contains as it's reinvented once again into a neighborhood gathering place.

Magnolia House is a hideaway for those in the know – offering warm hospitality, unique craft cocktails, and a small plate menu from around the world.  Come in through our gate and take a seat at Magnolia House.

**What is needed to confirm the reservation? Is a deposit required?**
We require a credit card as well as a signed contract to confirm all large party reservations; the balance will be charged the day of the reservation. For buyouts and parklet reservations, the rental fee is collected prior to the event to lock in the date, and the balance will be due on the day of the event.

**Can we split the check?**
The event tab will be one single check for all items ordered, and we will accept a maximum of four (4) separate payments.

**Can we do a seated (or plated) dinner?**
All of our large party reservation are intended to be cocktail style, and are not ideal for a full seated dining experience. Hosts are required to order from the Shareable Platter options at least 3 days prior to the event date (Lounge reservations may order from the regular menu, and items will come out as they are ready).

**When is our final guest count due for the reservation?**
For Lounge events, final guest count is flexible as long as it is less than 16 guests. For larger events (Bar, Lounge & Bar, Parklet, or buyouts) a guest count is due a minimum of 3 days before the reservation.

**Can we bring decorations or a cake?**
We ask that guests keep decorations to a minimum. All decorations need prior Manager approval. You are welcome to bring store-bought desserts, but please understand we are unable to store them for you; we do not offer a cake cutting service.

**Can I bring my own liquor or wine?**
We do not allow large party reservations to bring in any outside beverages (wine, liquor, non-alcoholic, etc.).
